ABOUT US

Punarvas is more than just an educational institution; it's a beacon of hope for individuals who are Intellectually Deficit. Established by the Punarvas Education Society, our specialized school provides a nurturing environment for students to develop their skills, build self-esteem and confidence, and reach their full potential. Through a holistic approach that combines specialized schooling, vocational training, and life skills development, Punarvas empowers students to lead fulfilling and independent lives. With a focus on individual needs and a commitment to providing tailored therapies and activities, Punarvas is dedicated to creating a brighter future for all.

TITLES AND AFFILIATION

- Punarvas School is a registered organization under The National Trust for the Welfare of Persons with Autism, Cerebral Palsy, Mental Retardation and Multiple Disabilities.
- Affiliated with Social Welfare Organization (Samaj Kalyan) Collaborated with various organization like Sol's arc, Verushka Foundation for additional Professional Vocational Courses.
- The Institute was honored with the Dr. Babasaheb Ambedkar Social Justice Excellence Award by the Government of Maharashtra in the year 2002-2004.

VISION

We aim to promote an understanding of disability issues & mobilize support for the dignity, rights and well-being of persons with disabilities. We also seek to increase awareness of gains to be derived from the inclusion of persons with disabilities in every aspect of life.

MISSION

To promote Care, Education and Rehabilitation of the Mentally Challenged through personalized programmes. To promote practical & economically viable vocational training & promote gainful employment for the special ones. To assist the parents & guardians by empowering them to provide for the welfare & care of the mentally challenged children.

OBJECTIVE

- To Promote Welfare, Care, Education & Rehabilitation for the Special Need Children.
- To provide for Practical Vocational Training according to Personal Talent Ability & make them Self-Reliant (Age 18 years & above).
- To Assist Parents & Guardians to provide for the Care & Welfare of the Special ones.
- To promote an understanding of disability issues & mobilize support for the dignity, rights and well-being of persons with disabilities.
- To increase awareness of gains to be derived from the inclusion of persons with disabilities in every aspect of life

FUTURE GOALS

- To increase production and marketing of products and add new trades.
- To continue to create awareness on issues of Intellectual Disability, among Parents, Community, Government and Local Bodies.
- Acquisition of land pending with MHADA.
- To make our school NIOS study and exam center for children with disabilities.
- Expansion of building for research center, medical center, well equipped therapy rooms, vocational center, psychological testing, guidance and counseling and other facilities.

HISTORY

With a perception of providing Education and training to more & more Intellectually disabled students, our school was started on 17th July, 1981 at Goregaon West under the vision of Late Mr. Prabhakar Modak (Social Worker). Our journey started with two Intellectually Disabled children & at present we educate 175 special needs children with a view of reaching out to 500 Intellectually Disabled children after the building expansion. We are extremely overjoyed to inform you that our School has completed 45 years on 17th July, 2026 since its Foundation in 1981.

To brief you about our school activities, we provide Education, Vocational training, Life skills training, along with paramedical facilities such as Occupational Therapy, Speech Therapy, and Individual & Group Counselling to 175 Intellectually deficit children & Adults to help bring a positive influence of growth in their life & to make them individualistic. We also help children excel in extracurricular activities & hobbies like dancing, Singing, Art & Craft, Sports etc. Every milestone we have achieved has only been a joint effort of our dedicated and zealous team of Trustees, Principal, Special Educators, & students along with the cooperation of Parents. All of us have been a part & equally contributed towards all the events, celebrations, festivals, training programs & projects carried out in and by the school.

FOUNDER PRESIDENT'S APPEAL...

A school started in a 10 x 10 room with 2 students is now developed into an 4-storeyed building with 175 students, the foundation of which is the trust of the donors like you.

What we have achieved is there before you. Still miles to go further, we all know. There are over 18 million mentally challenged children, and we are catering to only 175 children though we are, by now matured enough to serve more than 500 children. To achieve this uphill task, we are planning to expand further in every respect – building, machinery and projects.

At every milestone, people like you are helping 'Punarvas' to reach the next milestone. We are sure, your help only will support 'Punarvas' in the ongoing journey to serve more and more differently abled children.

This is a sincere appeal to you to join hands for the upliftment and rehabilitation of the differently abled section of the society.

Thanking you and looking forward for your co-operation.

**Late Mr. Prabhakar n. Modak
(founder)**

MESSAGE FROM THE TRUSTEE/PRESIDENT

At Punarvas Education Society, we believe that every child with special needs deserves the opportunity to learn, grow, and lead a life of dignity. Through quality education therapies, vocational training, and holistic care, we strive to help our students reach their fullest potential.

Our free quarterly Homeopathy Health Camps, led by Dr. Tanmay Vijaykar and his dedicated team of doctors, and Yoga session held by Mahrishi Patanjali Yog Mandal twice a week have brought encouraging improvements in the health and Well-being of many children. These achievements reflect the power of compassionate care and collective effort.

I sincerely thank our donors, Volunteers, medical professionals, teachers, staff, and well-wishers for their continued support. Your generosity enables us to transform lives and create a brighter, more inclusive future for every child,

Shri S. S. Gupta

President

Punarvas Education Society

MESSAGE FROM THE PRINCIPAL

At Punarvas Special School, we are dedicated to providing a safe, inclusive, and nurturing environment where every child with special needs can learn, grow, and become more independent. Through special education, therapies, vocational training, and life skills development, we empower our students to reach their full potential. I sincerely thank our parents, teachers, staff, donors, and well-wishers for their continued trust and support. Together, we are creating brighter futures and transforming the lives of our children.

CURRICULUM

EARLY INTERVENTION UNIT

Launched in 2002, our Early Intervention program supported 9 children aged 18 months to 7 years this academic year. These young learners face challenges including Autism, ADHD, Hyperactivity, and Cerebral Palsy.

SERVICES PROVIDED

- To address these needs, we provided a comprehensive care network:
- Specialised Nursery Group programs
- Professional Speech and Occupational therapies
- Innovative water, sand, and play therapies
- Free community therapy camps and webinars
- Strategic partnership with Sneha Organisation for under-3 care.

Through these targeted services, we successfully enhanced students' concentration, attention spans, and crucial fine motor skills. Our therapeutic approach accelerated personal growth, boosted psycho-social development, and improved daily social interactions. Furthermore, our community collaboration expanded local awareness, ensuring families received vital, free support right on our school premises when it mattered most.

SCHOOL UNIT

The School Unit supports 120 students, including early intervention children, across Pre-Primary, Primary, Secondary, NIOS, and Pre-Vocational groups. Using the "Disha" curriculum, teachers evaluate skills three times annually in seven areas: daily living, movement, social skills, thinking, communication, academics, and environmental awareness. These evaluations form a personalized Individualized Education Program (IEP), reviewed every six months.

To promote holistic growth, the school offers arts, sports, life skills, and therapies like occupational, speech, counseling, and psychiatric care. Academically promising students join Pratham and NIOS for mainstreaming. This year, all 11 students passed their NIOS Level A, B, and C exams, and our first-ever student graduated standard 10th.

Digital Learning

Shopping Practical

Pre-writing Skill

VOCATIONAL UNIT

Our Vocational Unit empowers 55 adults aged 18 and older by training them in trades tailored to their unique functional abilities. To foster self-reliance, the school provides comprehensive training in artisanal crafting, including candle-making, file-making, and festive decorative dishes. Students also master textile skills through hand and machine stitching to create aprons and coin purses, while gaining practical technical skills by operating Xerox and lamination machinery.

The program drives significant community and economic impact. By setting up exhibition stalls at various locations, students display and sell their creations, gaining real-world retail experience. Through strategic organisational partnerships, the initiative successfully helps individuals achieve their professional goals and independent living milestones.

This practical approach has achieved remarkable success, enabling many graduates to secure mainstream employment with major companies like Amazon and prominent retail chains like Reliance Mart.

THERAPIES

OCCUPATIONAL THERAPY

During the academic year 2024–2025, Occupational Therapy services were provided under the guidance of Dr. Hrishika Prashant Baxi to 61 students from various classes including Baby, Pre-Primary, Trainable, Educable, and Pre-Vocational sections. Therapy sessions, conducted regularly from Monday to Friday, focused on fine and gross motor development, ADL training, sensory integration, oro-motor exercises, yoga, and cognitive-perceptual activities. Additionally, 65 students from Vocational and Pre-Vocational sections benefited from gym-based fitness sessions aimed at promoting physical independence. Parental involvement was actively encouraged through regular updates and home programs.

The Early Intervention Unit assessed and provided therapy to four children aged 1–3 years, addressing developmental, dietary, and speech-related concerns. The program maintained a holistic, individualized approach throughout the year, ensuring continuous support for students' functional and developmental needs.

GAIT training in progress

Early Intervention

Early Intervention of child below 3 years with parents in process

SPEECH THERAPY

During the academic year 2025–2026, Speech Therapy services were provided to children aged 3 to 15 years, focusing on speech, language, and communication challenges in children with disabilities. The primary goal of the program was to enhance both receptive and expressive language skills, while also improving speech clarity, attention span, and concentration. Therapy sessions were conducted weekly, either individually or in small groups of 2–3 children who were at a similar developmental level. These sessions were held on Mondays, Tuesdays, and Fridays throughout the academic year.

Each child received a personalized therapy plan, including targeted activities such as tongue and lip exercises, speech correction, and comprehension enhancement based on individual needs. Significant emphasis was placed on involving parents and teachers in the therapy process. Parents were regularly invited to school to observe sessions and were provided with structured home-based tasks to continue the child's progress beyond the classroom. Teachers were also informed of each child's therapy goals to ensure consistency in support across learning environments. The collaborative approach between therapist, parents, and educators proved essential in achieving the developmental goals tailored for each child, helping them reach their maximum potential.

COUNSELING AND GUIDANCE

During the 2025–2026 academic year, our Counseling and Guidance services focused on student development through personalized Behavior Modification Programs, individual counseling, and consistent support networks for both teachers and parents. Educators received regular guidance on effective classroom management, while parents were counselled to ensure a uniform, supportive environment across home and school settings. For students aged 10 and above, group counseling sessions targeted emotional regulation and social communication. These interactive sessions successfully built personality development by addressing peer pressure, listening skills, and appropriate behavioral choices.

Beyond our internal school community, we extended crucial outreach services to families and outpatients by providing information on government disability schemes, benefits, and local resources. Our team directly guided and assisted over 40 children in need with external school admissions, therapeutic referrals, and vocational workshop placements across multiple locations. Finally, we actively engaged with college students and the public to build community sensitization, spread awareness regarding early intervention, and promote a more inclusive society

Workshop for Caregivers & Educators

BEYOND ACADEMICS

COMPUTER CLASS

At our Special School, we recognize the importance of equipping students with the skills needed to navigate an increasingly digital world. During the academic year 2024–2025, Punarvas Special School provided structured computer training to students with Intellectual Disabilities, including Autism, Down Syndrome, and ADHD. The curriculum was tailored to each student's learning level, covering computer basics, MS Office tools, and educational software to support academic subjects. Language development was encouraged through typing practice, punctuation, and simple writing tasks. Beyond academics, the program improved students' attention, motor skills, coordination, and reasoning abilities. Interactive activities promoted engagement and confidence. Computer education continues to play a vital role in empowering our students to participate meaningfully in the digital world with greater independence, confidence.

SPORTS AND GAMES

At Punarvas Special School, sports and games are vital drivers for holistic development. Beyond physical fitness, sports enhance gross motor coordination, spatial awareness, and sensory integration. Participating in team and individual games builds emotional resilience, social skills, discipline, and a profound sense of self-worth in our students with special needs.

The 2025–2026 academic year was a historic, medal-rich chapter for our athletes. In badminton, Sarika Gorekar (Junior) and Kirti Satam (Master) won national single silver medals in Gujarat, with Kirti clinching another silver at the Special Olympics Bharat National Camp in Gwalior. Our table tennis stars dominated the AWMH State Tournament with a spectacular haul of 18 gold, 9 silver, and 5 bronze medals, alongside Siddhesh Lokhande's bronze in Pune.

Our students displayed versatile talent across disciplines: Yukta Chapolkar shined in regional swimming, 12 students competed in International Carrom winning 2 silvers, and 30 girls gained empowerment through specialized self-defence classes. Major highlights included winning 11 golds at the Para Sports Games, 15 golds at our own Sports Day, and multiple podium finishes at the Jamnabai Narsee Mini Olympics, Concern India Meet, and Lions Club Olympics. These achievements prove that structured sports unlock boundless potential and true inclusion.

CULTURAL ACTIVITIES, EVENTS & COMPETITIONS

Our vibrant calendar of events plays a vital role in our holistic curriculum, designed to enhance the social, physical, and emotional growth of our students. Throughout the year, teachers and specialized staff provided structured coordination and guidance for numerous cultural celebrations, including World Environment Day, Yoga Day, Ashadhi Ekadashi, Guru Purnima, Raksha Bandhan, Dahi Handi, Garba, Ganpati Maha Aarti, Teachers' Day, a Diwali party, Republic Day, and a Holi celebration. The school also celebrated its Foundation Day with a special screening of the movie 'Taare Zameen Par', and hosted a dedicated Parents' Day. On Children's Day, teachers organized campus activities and safely escorted 25 children to Andheri to watch a movie.

Talent Showcase At Happy Feet Vol. 6

Holi Celebration

These initiatives delivered immense therapeutic impact, expanding learning beyond the classroom to build real-world confidence. Educators coordinated enriching community excursions, including a two-day picnic, an educational visit to the Lions Club of Bombay Airport's 'Flock Akhyan' event, and public dance showcases like Lezim performances in Kandivali and Fort, alongside a 'Lungi Dance' routine at RK College in Bandra. Our music training achieved tangible success when staff guided 11 children to a singing event at Bharat Vikas Parishad in Kandivali, where they earned a trophy and certificates. Furthermore, the landmark inauguration of our campus Sensory Garden provides a dedicated space that actively improves sensory processing for our children with special needs.

Annual Day Celebration Award Ceremony

Annual Day Fashion Show of Our Students With Special Needs

ART & CRAFT

Our students showcased their creativity, talent, and spirit by participating in several inter-school cultural events, art competitions, and inclusive workshops this academic year.

External Competitions & Award Winners

- **'Yahan Ke Hum Sikandar' Cultural Festival (December 22, 2025):**
 - Held at Yashwant Natyamandir, Matunga, for children with disabilities, where 7 students proudly participated in the drawing competition.
- **Abhinav Shikshan Prasarak Mandal Competition (January 6, 2026):**
 - Located in Goregaon East, 15 students took part in this drawing event and secured major wins; Ali Sayyad – Won the 3rd Prize, Sarika Gorekar – Won the 1st Consolation Prize, Sara Ratnani – Won the 2nd Consolation Prize
- **Giants Group of Welfare Foundation (February 20, 2026):**
 - A group of 10 students participated in a sand sculpting competition, winning the 1st Consolation Prize for our school.

Creative Workshops & Interactive Events

- **Smile Station Foundation 'Happy Feet Vol. 6' (April 11, 2026):**
Hosted at Infinity Mall, Malad, where 3 students explored arts and crafts through a creative keychain painting session during the "Do It Yourself" activity.

In-House Celebrations & Parent Engagement

- **Children's Day Celebration (November 14, 2025):**

Our school hosted a special, collaborative art event to bring parents and children together

- ❖ **Ages 8 to 14:**

Children and parents teamed up for vibrant collage work and hand-painting activities.

- ❖ **Ages 15 to 18:**

Senior students and their parents showcased wonderful talent in bottle painting and block printing.

- ❖ **Impact:**

Parents offered immense support, filling the day with wonderful creativity, bonding, and beautiful artistic displays.

KITCHEN SKILLS

Kitchen skills training is one of a cornerstone of our curriculum, driving independence and sensory development in our special needs students. Through structured, gas-free sessions, students master everyday tasks, refine motor skills, and build immense self-confidence. This foundation prepares them for meaningful careers, with **many of our skilled alumni currently employed across various hospitality setups and cafes**.

Our practical approach bore spectacular fruit during the 2025–2026 academic year. On 2nd April, celebrating World Autism Awareness Day, our students shined at a specialised cooking competition in Mira Bhayandar East, organised by the Samaisha Foundation and Neev Child Development Centre.

Representing us with incredible focus, student **Mitali Majigaonkar** participated in the fireless category. Crafting delicious **Coconut Laddus**, Mitali proudly secured the **3rd Prize**. This milestone highlights the power of vocational training, proving our students can transition smoothly from classroom kitchens to professional independent success.

EXHIBITIONS & STALLS

As part of our commitment to fostering creativity, independence, and essential vocational skills, Punarvas Special School proudly participated in multiple public exhibitions and community showcases throughout the 2024–2025 academic year.

These events serve as a vital bridge between our classroom learning and the wider community. They offer our students a wonderful platform to display and sell their handcrafted products, unique artwork, and diverse talents. By interacting with the public, our students not only boost their confidence and social communication skills but also build a sense of financial independence.

Furthermore, these public showcases play a key role in raising community awareness. They challenge stereotypes and inspire a deep appreciation for the true potential and diverse abilities of children with special needs. We extend our heartfelt gratitude to all the organizers, parents, and patrons who supported our students on this empowering journey.

17th March 2026	IWC Bombay Airport Awards for Women's Achievements, Andheri

EDUCATIONAL OUTINGS

At Punarvas Special School, our recreational outings are carefully designed pathways to personal growth. While our picnics offer immense joy, they serve a far deeper purpose—providing our special needs students with critical opportunities to showcase independence, adapt to new environments, and practice self-management outside their familiar routines.

Our **One-Day Picnic** on 11th March 2026 to **Saina Resort, Malad**, challenged students to navigate exciting amusement rides and water slides. This nature-filled day gave them the freedom to explore, relax, and make independent choices while interacting dynamically with their peers and staff.

Stepping further out of their comfort zones, our **Overnight Picnic** on 24th and 25th February 2026 at **Silent Resort, Palghar**, was a milestone in self-reliance. Managing their personal belongings, adapting to a night away from home, and participating in campfire bonding and nature walks allowed our students to successfully exercise autonomy in a safe, supervised setting, building lifelong confidence.

WORKSHOPS & CAMPS

At Punarvas Special School, we believe that a child's overall development is rooted in their physical and emotional well-being. In line with this commitment, a range of health-focused programs were conducted throughout the year to support our students, their families, and staff members.

PREDICTIVE HOMEOPATHY CAMPS

Launched on April 2, 2022, the Predictive Homeopathy Program—led by Dr. Tanmay Vijaykar and his team of dedicated homeopathic doctors—continues to serve children with intellectual disabilities, autism, and related conditions. Held quarterly on school premises, these camps are aimed at improving general health, boosting immunity, and addressing specific concerns like hyperactivity and appetite regulation. Camps were successfully conducted on 21st July 2024, 28th November 2024, and 27th February 2025—entirely free of cost to the school and its families.

JAIPUR FOOT CAMPS

In collaboration with Bharat Vikas Parishad, monthly Jaipur Foot Camps were organized at the school to provide free artificial limb fittings to over 250 individuals. These camps involve an initial assessment and measurement phase, followed by fitting sessions. Beneficiaries also have the option to visit the Rehabilitation Education Centre in Goregaon East for further support.

ANNUAL MEDICAL CAMPS

Our annual Medical Camps cater to students, parents, and staff, featuring health screenings by specialists from various fields. These camps promote early detection and preventive care. Noteworthy initiatives include a Breast Cancer (Mammography) Camp and an Sickle -Cell Checkup Camp, enabling accessible and timely health services to the school community.

GOVERNMENT SCHEMES FOR PWD'S

Punarvas Special School actively supports families in accessing government welfare schemes like the **UDID Card**, which simplifies disability certification and benefits access, and **National Trust programs** such as the **Niramaya Health Insurance** and **Legal Guardianship, 'Dharmaveer Anand Dighe Divyang Artha Sahay' Schemes**. These initiatives offer practical support in promoting health, financial, legal security, and equal rights for students with disabilities.

UNIQUE DISABILITY ID (UDID) CARD

The Unique Disability ID (UDID) Card, launched by the Government of India, is an essential tool for ensuring access to benefits and services for individuals with disabilities. The UDID system centralizes the disability certification process and enables easy online applications regardless of the child's schooling status. By streamlining identity verification, it enhances transparency and access to schemes, ultimately supporting the rights and entitlements of children with disabilities.

NATIONAL TRUST SCHEMES

Under the supervision of the National Trust for the Welfare of Persons with Autism, Cerebral Palsy, Mental Retardation, and Multiple Disabilities, the school has guided parents in accessing two key government-supported initiatives:

NIRAMAYA HEALTH INSURANCE SCHEME

This affordable health insurance policy provides coverage of up to ₹1.0 lakh per annum for Persons with Disabilities. The policy covers outpatient care, therapies, routine health check-ups, and treatments for both congenital and existing conditions, reducing the financial burden on families.

LEGAL GUARDIANSHIP SCHEME

The Legal Guardianship provision ensures that individuals with conditions such as autism, cerebral palsy, mental retardation, and multiple disabilities have a legally appointed guardian who can make key decisions on their behalf in areas like healthcare, education, and finance. This offers lifelong support and protection for those who may be unable to represent themselves.

'DHARMAVEER ANAND DIGHE DIVYANG ARTHA SAHAY' SCHEME

The *Dharmaveer Anand Dighe Divyang Artha Sahay* scheme provides financial assistance to individuals above 18 years with 40% or more disability. Beneficiaries with 40–80% disability receive ₹1,000 per month (₹12,000 annually), while those with over 80% receive ₹3,000 per month (₹36,000 annually), disbursed every six months for up to five years. A valid blue or yellow UDID card is mandatory. Applicants must fill out a form available on the Maharashtra Government website and submit it along with required documents at BMC offices (A to T divisions) between 10 AM and 4 PM. The school supports families in accessing this scheme.

PARENTS ASSOCIATION

In the fiscal year 2025-2026, a committee comprised of parents of former students has been established to facilitate vocational activities previously taught in the school. This initiative culminates in exhibitions showcasing the skills acquired. The association fosters a collaborative environment, allowing both parents and children to strengthen their bond through shared endeavors, while also providing a sense of accomplishment and fulfillment for all participants.

ACHIEVEMENTS

STUDENTS ACHIEVEMENTS:

- **National Badminton Medals:** Sarika Gorekar (Junior) and Kirti Satam (Master) won national singles silver medals in Gujarat; Kirti secured another single silver medal from Maharashtra at the Special Olympics Bharat National Camp in Gwalior.
- **Table Tennis Triumphs:** Students dominated the AWMH State Tournament with **18 gold, 9 silver, and 5 bronze medals** (with two students placing 4th); Siddhesh Lokhande won a bronze medal at the state level tournament in Pune.
- **Para Sports & School Sports Day:** Athletes won **11 gold, 2 silver, and 1 bronze medal** at the Para Sports Games, and 15 gold, 15 silver, and 15 bronze medals at the Punarvas Sports Day.
- **Culinary Excellence:** Mitali Majigaonkar won **3rd Prize** in the fireless category at the Mira Bhayandar East cooking competition by crafting Coconut Laddus.
- **Art & Carrom Competition Wins:** Students won **2 silver medals** at the International Carrom Tournament, a 1st Consolation Prize (Sarika Gorekar), 2nd Consolation Prize (Sara Ratnani), and 3rd Prize (Ali Sayyad) at the Abhinav drawing event.
- **Our students had participated in Photography Competition organized by Spixels in November 2022. Our school students won prizes.**

- **Vocational Employment:** Many skilled students with an interest in kitchen skills currently work at different hospitality setups and cafes.
- **In the year 2023-2024, five of our students successfully completed the Amazon Training course and subsequently secured employment positions at Amazon Warehouses.**

STAFF ACHIEVEMENT

- **National Technical Representation:** International Coach Mr. Bhalerao attended the National Swimming Championship as a **Technical Official**.
- **National Event Volunteering:** Mr. Vikas Kashid and Mrs. Aruna Waghmare served as volunteers at the National games.
- The Late Smt. Nandini Divatia Award for the year 2023 was conferred upon our Principal Ms. Shubhangi Powar during the Foundation Day Celebrations held on December 9, 2023.
- Our school's Special Educator & Sports coordinator Mr. Madhav Bhalerao was selected as 1 of the Coaches for Berlin, Germany by Special Olympics Bharat as the International Coach from 15th to 26th June 2023.
- Our school's 4 Special Educators were Awards with Nation Builder Award 2023 by Rotary Club of Mumbai West Coast in recognition of their outstanding service as an educator.
- Our School's Special Educator were awarded by Bhajapa Shikshak Agadi, Mumbai. with “Vicharanaa Disha Denara Sohad” Award in Shikshak Snehmevada February 2025.
- Our Principal Mrs. Shubhangi Powar & Two Teachers were, Honored and grateful to receive the Navkshitij Empowerment Excellence Award 2025 on 8th December 2025 at Pune.

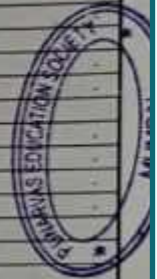

SCHOOL ACHIEVEMENT

- Our school was awarded Sentience Award International Recognition for Contribution in Disability Empowerment for year 2022 by Spixels.
- In year 2003-2004 our school received Dr. Babasaheb Ambedkar Samajik Nyay Pravinya Puraskar from State Government of Maharashtra Social Justice & Empowerment Section for Excellence in Education & Rehabilitation of Mentally Challenged Children on 26th July 2005. This prestigious award was given by the Chief Minister Mr. Vilasrao Deshmukh in function organized at Yashvant Rao Chavan Auditorium.
- Our school was awarded Sulakshana Ramjanam Pandey Award for the year 2016 in Recognition of Outstanding Services our centre is offering to the disabled by NASEOH at Chembur.
- Our school Founder President Late. Mr. P.N. Modak was awarded with Divyang Yogi Puraskar for the year 2017. Mr. Udaykumar Vinzanekar President of Punarvas Education Society & Their Grand Sons received the award on behalf of Mr. P.N. Modak.
- Felicitated by Commissioner of Disability, Pune, Mr. Vivek Deshmukh for being 1 of the school among 104 schools for Special Needs Children to follow Disha Portal Curriculum.

SUPPORT US

ADOPT A CHILD- Supporting a child with special needs can transform their life and that of their family. By contributing Rs. 66,000 annually, you ensure access to vital resources that help them thrive. This budget covers essential areas: educational expenses for specialized programs and materials, outings for social skills development, therapies like occupational and speech therapy, and necessary medications. Your generosity provides crucial financial support, instills hope, and empowers these children to reach their full potential. Every contribution, no matter the size, makes a meaningful impact.

BALAK PALAK YOJANA: Support a child's yearly educational expenses. The annual fee for each child is Rs 8000/-. We have a total of 175 students in our school. You can choose to sponsor as many children as you like.

GENERAL DONATION: Make a significant impact with a General Donation to our school, benefiting the well-being and upkeep of our students, faculty, and institution. Your generous contribution will truly make a difference.

SPONSOR OVERNIGHT PICNIC: Join us in sponsoring an Overnight Picnic where our older students embark on a memorable adventure at a nearby resort. This exciting educational excursion allows them to discover a new world and apply the skills they've learned. By sponsoring as much as you can, you'll help support nearly 100 students attending this enriching Overnight Camp, with a total expense of approximately Rs.4,00,000/-. Your support is greatly appreciated

SPONSOR ONE DAY PICNIC: Join us in sponsoring a one-day picnic for our small students! Your support is crucial in making this event possible for approximately 50 to 60 students. The total expense for this one-day picnic is approximately Rs.1,00,000/-. Your contribution will make a lasting impact on these young minds.

RAW MATERIALS FOR VOCATIONAL CENTRE: Our vocational training center has been empowering students with valuable skills for over 18 years. We offer a wide range of programs, including creating beautiful products like flowers, files & folders, aprons, pouches, and more. To provide the necessary materials, we rely on generous sponsorships. The annual cost for these raw materials amounts to approximately Rs. 100000/- (Rupees One Lac). Supporting our center can make a meaningful difference in the lives of aspiring individuals seeking to enhance their vocational abilities.

SPONSOR A JOB FOR FEMALE INTELLECTUALLY DEFICIT: Our girl students need a secure & protective work place. We have started employing girl students as teacher Assistants & we need Sponsors to fund their salaries. The Annual salary of per student is Rs 12,000/-. There are in all 8 Female employees.

SPONSOR A SCHOOL EVENT

Partner with Punarvas Education Society to gift a child with special needs the pure joy of taking the stage, competing, and celebrating their unique triumphs.
